RE: Collierville Superfund Site

Dear Mr. Wong:

Pursuant to your request of January 7, 1999, and our subsequent telephone conversation, EPA has notice of Carrier's desire to lease a building to the University of Memphis located on the above referenced Site.

The information conveyed will be deemed sufficient upon receipt of a copy of the executed lease agreement.

EPA grants your request to waive the 60-day waiting period for transfer of a real property interest as called for under the 1993 Unilateral Administrative Order.

If you have any additional questions, I may be reached at 404-562-9565.

Sincerely,

David K. Clay
Assistant Regional Counsel
